Dear Potential Maine Sire Stakes Program Participants:

The 2011 Stallion Directory contains the stallions that have registered with the Commission office indicating they will stand in the State of Maine during the 2011 breeding season.

The number of stallions has increased this year, which I hope indicates that there is growing interest in our lucrative program. The quality of our stallions continues to improve. The proof of this statement can best be seen with the improved quality of the participants in the Sire Stakes Program. This past year we had a very good crop of two year old trotters and pacers with some performance records being set by the participants..

I encourage anyone who wishes to become a part of a very prosperous program to contact the owners/agents of these stallions and breed his/her mare(s) in insure the resulting foal is eligible to the Maine Standardbred Sire Stakes Program.

The purses available to this program have increased from \$350,000, in the early 1990's, to over **\$2,100,000** the past year. The foals resulting from this breeding season will be eligible to take advantage of the continued added monies generated from the operation of slot machines at Hollywood Slots in Bangor. The estimated purses for 2011 will exceed \$2,400,000 due to operation at the new Hollywood Slots facility.

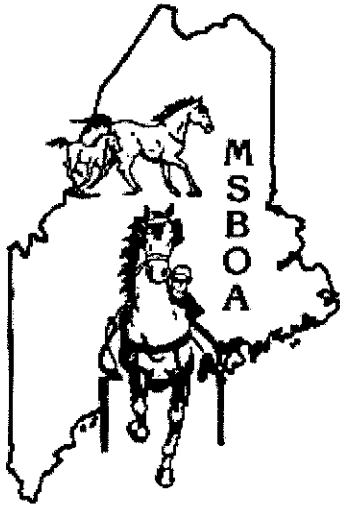

The next few years will prove to be very exciting for anyone who participates in this growing program.

I would also encourage everyone who has a Maine sired horse to become a member of the Maine Standardbred Breeders and Owners Association. This organization will keep you abreast of the latest issues facing our industry, educational seminars, as well as provide you with timely information regarding payments and race schedules.

If you have any questions concerning the directory or the program please do not hesitate to contact my office.

Sincerely,

Henry W. Jackson
Executive Director

Maine Standardbred Breeders & Owners Association

January 13, 2011

Dear Standardbred Breeders,

We welcome your use of the 2011 Stallion Directory. This Directory is another service provided by the MSBOA. Special thanks to Diann W. Perkins and Betsey Kelley for working on this Directory!

While stallions are moving out of New Jersey and Kentucky, we have more stallions this year than last year.

With the help of Hollywood Slots and the prospects of a racino in Biddeford and casino in Oxford, we hope to put our Sire Stakes Program on solid footing. In the future we hope to offer a consolation final, a breeders incentive program and a second tier of races.

The quality of available stallions is excellent. Two new State records were set by their offspring and many track records were broken in 2010.

Be part of the exciting rise of the Maine Sire Stakes Program- breed for the Maine Sire Stakes.

*Michael D. Andrew
President, MSBOA*
