## **Maine Sire Stakes Breeders**

### **Welcome to the 2014 Maine Sire Stakes Stallion Directory**

With the 2014 breeding season almost here, these are a few facts to think about.

The numbers of registered stallions is up this year, and the quality is very good. With the numbers of mares bred last year on the increase also, this is very encouraging for the future of the program.

Total purse funds were up slightly in 2013, even with some of the bet handle numbers decreasing. We look for sire stakes purses to continue an upward trend.

You will find good quality stallions for all your mares in this directory.

Good Luck,

Jim Kelley

President, MSBOA

017 HARNESS RACING COMMISSION

Chapter 9: SIRE STAKES

---

**SUMMARY:** This chapter pertains to the establishment of a Breeders Stakes program to encourage and develop a Maine breed of Standardbred horses-pursuant to 8 MRSA §281. If no exception is provided in this chapter, the general body of harness racing rules and regulations shall apply to the Sire Stakes program and Sire Stakes races.

---

**Section 1. General**

1. A committee of advisors will be appointed annually by the Commission to assist the Commission in promoting this program. The advisors will be selected from interested persons engaged in breeding or racing Standardbred horses. At least one member will be from an Association programming at least one stake race. The advisory committee will serve without compensation.
2. Any Association that desires to host events in the Maine Standardbred Breeders Stakes must so inform the Commission at the annual race date assignment hearing proceeding the year of the event.
3. The Commission shall establish a schedule of races and select the sites of the events annually.
4. The name of the events shall be Maine Standardbred Breeders Stake No. 1 for eligible 3 year olds in 1974 and Maine Standardbred Breeders Stake No. 2 for eligible 2 year olds in 1974, then numbered chronologically each succeeding year. Eligibility, estimated values, fees, and conditions shall be announced by publication no later than March 1 of the year of the race. Purses will be announced by the Department no later than June 1 of the year of the race. Application forms will be available at the office of the Department.

**Section 2. Eligibility Criteria**

1. In order for its get to be eligible to the Maine Standardbred Breeders Stakes a stallion must be registered with the Commission for the current breeding season prior to January 1 of the year of the breeding season and must stand at stud the full breeding season in Maine except as provided for in Section 2, sub-section 1, second paragraph. The breeding season is defined as the period beginning February 15, through July 15 of each calendar year except as provided in the second paragraph. The registration fee shall be \$100.00 per stallion per breeding season. Registration fees shall be made payable to the Treasurer, State of Maine and forwarded to the Commission's Office within the Department and such fees will be added to purses.

Any person standing a stallion who fails to register a stallion as required aforesaid may register said stallion upon payment of the registration fee and an additional payment of \$500.00 on or before February 15<sup>th</sup> of the ensuing breeding season. The stallion shall not have been registered nor stood in any other racing jurisdiction during the current breeding season as defined in Section 2 subsection 1.

A stallion may be brought into the program at any time after February 15<sup>th</sup> to replace a registered stallion which is unable to breed, as evidenced by a veterinarian or laboratory test indicating it is infertile, or dies during the breeding season. In this case a \$100.00 registration fee is required but no late fee is required.

A new stallion may be brought into the program after February 15<sup>th</sup> with the payment of the registration fee and a late fee of \$750.00.

The stallion is to reside in the State of Maine at a designated standing farm throughout the entire breeding season as described in this section, except as provided for a late registration. The stallion may not be moved from the designated standing farm (except in the case of a medical emergency) with the following exceptions:

- A. A stallion duly registered may, upon advance written notification to the Executive Director, move from the designated standing farm provided that the farm to which the stallion is moved is located in the State of Maine.
- B. A stallion duly registered may, upon advance written approval from the Executive Director, be moved to another state for non-emergency medical reasons.
- C. A stallion duly registered may, upon advance written approval from the Executive Director, be allowed to race during the breeding season.

### **Section 3. Payments and Fees**

1. Yearling nomination payment of \$20.00 shall be due on all Maine sired colts and fillies by May 15 of the year following the colt or fillies year of birth and payment must be accompanied by a copy of the colt or filly USTA Registration Certificate. In the event a yearling payment is not made on May 15 of the year following foaling, the foal may be made eligible providing that all other eligibility requirements are met by payment of a \$500.00 late fee together with the previously missed payment.
2. A continuation fee of \$20.00 for eligible 2 year olds shall be due February 15 of the year of the race.
3. A continuation fee of \$50.00 for eligible 3 year olds shall be due February 15 of the year of the race.
4. A sustaining fee of \$50.00 for eligible 2 year olds and \$70.00 for eligible 3 year olds shall be due by May 15 of the year of the race. Sustaining fees need not be paid on 2 year olds unless the 2 year old will race during its two year old year.

5. The gait on which 2 and 3 year olds will race must be specified at the time the sustaining fee is paid, May 15 of the year of the race. Switching gait or racing at both will be allowed only if the horse has been sustained, and fees paid, to both trot and pace by May 15 of the year of the race.
6. A starting fee of \$75.00 for eligible 2 year olds to seasonal events shall be due at the time of declaration and payable to the Association sponsoring the event. A starting fee of \$100.00 for eligible 3 year olds to seasonal events shall also be due at the time of declaration and payable to the Association sponsoring the event.
7. Nomination, continuation, sustaining and supplemental payments will be made to the Maine Harness Racing Commission at the Department's office.
8. Otherwise eligible Maine bred colts and fillies that were not kept eligible by payment of subsequent fees, as a yearling, or as a 2 year old, may be made eligible as a two year old, providing all other eligibility requirements are met, by payment of a \$750.00 late fee and all previously missed payments and late fees are made prior to declaring in for the first two year old stake race for that sex and gait for that year.
9. Otherwise eligible Maine bred colts and fillies that were not kept eligible by payment of nominating fees or continuation fees as a yearling or a 2 year old may be made eligible as three year olds, providing all other eligibility requirements are met, by payment of a \$1,000.00 supplemental payment and all previously missed yearling, two year old continuation and three year old payments and late fees prior to declaring in for the first three year old stake race for that sex and gait of that year.

- Starters must finish the race in order to qualify for purse money, except in the case of an accident in accordance with Chapter 7 Section 76.
- E. Should circumstances prevent the racing of any or all of these events, moneys will be prorated among the owners of eligibles of the uncontested event or events at the time of declaring off.

**Section 6. Conditions**

1. All races will be one mile, and will be conducted under the rules of the Maine Harness Racing Commission.
2. Unless otherwise specified in the conditions, declaration time shall be 9:00 a.m. and the box shall close at that time.

3. There shall be no more than one division unless there are more than nine declarations at a track that can score eight abreast; eight declarations at a track that can score seven abreast; or, seven declarations at a track that can score six abreast. No division shall be made where one division has more than one starter more than the remaining divisions.
4. Race secretaries must divide 2 and 3-year-old pacing entries by sex. Beginning with foals resulting from the year 2000 breeding season and thereafter Race Secretaries must divide all entries by sex.
5. If an Association utilizes a detention barn for stake races, all applicable paddock rules shall apply to the detention barn.
6. Two and three year old trotters and pacers that have been scratched as sick or lame from a Maine Standardbred Breeders stakes event any time after being declared in, must have a well slip from a licensed veterinarian stating the colt or filly is fit to race before a declaration to start can be valid.
7. The final event shall be the last stakes event contested in the racing season for each division and shall be limited to the eight highest point winners declared in to race and eligible to start.

If two or more horses are tied in points for eighth (8th) position for the final race, the eighth starter shall be drawn by lot. Two also eligibles may be drawn and programmed, based on points earned during the year and the highest point winner shall be moved in first in the event of a scratch. If the also eligibles are tied in points earned the same procedure shall be used as outlined above for the eighth starter.

Final events that do not fill with point winners may be filled with 2 and 3 year olds that have participated in at least one leg of their stake division and drawn by lot.

8. **Consolation Final**

1. Beginning in 2012, a Consolation Final may be offered for each Sire Stakes Division. No horse eligible for the final event, except for also eligible entries programmed but did not participate in the final event, shall be eligible for the Consolation Final. Horses eligible for the Consolation Final shall be the next highest point earners in each division after those eligible for and participating in the final event. All Consolation Final horses must have participated in at least one leg of their stake division. In the event two or more horses tie in points for the eighth position for the Consolation Final, the eighth starter shall be drawn by lot.   3. In the event of a dead heat for any position the points for those positions will be added and divided equally among the horses involved.
  4. The order of finish declared "Official" by the Judges will be used in determining points earned. In the event of an appeal of a Judges decision, the Commission will make every effort to hear and decide the appeal prior to declaration time for the final. In the event of an unresolved appeal, the original Judges decision will stand for purposes of calculating points earned and eligibility to the final.

This directory is one of the many services of the MSBOA. This all volunteer organization produces the stallion directory, yearbook, point totals and newsletters. We lobby on your behalf in Augusta, organize the finals, publicize the program, put on a yearling sale, attend "draws" and sponsor a successful scholarship program.

We need your support! Please join the MSBOA and help us out.

The cost is only \$40.00/year.
